

Blessings from God...

Can you remember all the people who would get blessings from God in the story?
It's quite hard to remember all 8!

Sometimes they can be called the 'bee-attitudes' as a sort of joke on beatitudes! Below is a bee hive and 8 bees, each showing one beatitude, why don't you colour the bee hive, then colour and cut out the bees and let them land on the bee-hive. It will help remind you of how Jesus wants us to love and live our lives.
