

Sharing the Good News!

Guess what? we've been busy in the kitchen this week! I can't wait to show you and if I could meet you I would share a cake with you. These cakes are super delicious! I'm so excited that I want to share them with you!

We often hear how important it is to share things like toys, or crayons, but do you know what it means to share Jesus??

Let me ask you this: who you would like to meet? Someone you'd be excited to see if they walked in the room? I'll bet if you met someone that famous, you would be so thrilled that you would want to tell your friends and other people about it.

Well, that happened when Jesus began His ministry on Earth. John the Baptist, who we heard about last week, was one of the first people to realise who Jesus was and how important He was. John was so excited that He pointed Jesus out to others and told them that they were looking at the Son of God. Then, they met Jesus, and when understood who He was, they went to tell others about Him too. Meeting Jesus was something they didn't want to keep to themselves, and they couldn't wait to tell others who they had found.

Today's story is about how some people met Jesus and then they told somebody else, they shared their good news. Philip went to his friend Nathaniel to tell him about Jesus, and Nathaniel had to come and meet Jesus, that is sharing the good news.

We want others to know Jesus and there are many ways we can do that. We can use our words, but we can also share through our actions, by doing kind things and just demonstrating that we care about people. Will you do this ? Can you show someone that you care about them today? You could share kind words or even get baking in the kitchen!
